## ANDALUSIA

Home of  
Flannery  
O'Connor

Andalusia is the picturesque farm where American author Flannery O'Connor lived from 1951 until her death from lupus in 1964. Listed on the National Register of Historic Places, Andalusia is brought to life on many occasions in O'Connor's published letters. In the 1950s Andalusia was a dairy farm operated by O'Connor's mother, Regina Cline O'Connor. The agricultural setting of Andalusia provided for O'Connor not only a place to live and write, but also a landscape in which to set her fiction.

Andalusia is located just north of the Wal-Mart shopping center on Hwy 441 in Milledgeville. Andalusia is open on Monday, Tuesday, Thursday, Friday, and Saturday from 10:00 a.m. to 4:00 p.m. or by appointment. [www.andalusiafarm.org](http://www.andalusiafarm.org)
